REPORT OF SCHOOL BOARD.

The school board respectfully submit the following report:

We have maintained eleven schools, each having a spring term of twelve weeks and a fall term of fifteen weeks, except the school at No. 3, which we found advantageous to unite with the school at No. 1 for the fall term, which proved to be a very satisfactory arrangement to all concerned.

We earnestly recommend the union of these small schools. If we had six schools in town instead of eleven we should reap much better results.

Your board are very much in sympathy with the supervisory system, and we hope the day is not far distant when the inhabitants of this town will take an interest in this matter and learn the advantages that come from this system, and we know you will then vote in favor of supervision.

A special appropriation of \$125 was made for repairs on No. 2 schoolhouse, which was expended as directed, leaving \$14.20 in the treasury. From the \$150 appropriated for general repairs, No. 8 schoolhouse was painted and Nos. 7 and 12 were shingled.

We would call the attention of all citizens to the fact that there is no interest in which the action of the town is required of so great importance as the education of its youth. There is no object on which money should be more liberally bestowed or more judiciously expended. Allow us to say that we think our schools are in the background when compared with other towns. The future of our town depends upon the youth of the present day. Then let us arouse ourselves and do everything possible to put our educational work abreast of this progressive age.

The thanks of the board are extended to all who have in any way aided in promoting the interests of our public schools.

N. M. C. WHITE,
E. C. HOAG,
JAMES H. PRESCOTT,
School Board of Deerfield.

New Goods Arriving Constantly

A Word About Patent Medicine Prices

DON'T entertain the mistaken idea that you must go to the department store or grocery store in order to get the popular patents at popular prices, for we can furnish you these goods as cheap as the largest drug and department stores. We allow no competitor to undersell us.

We buy in large quantities—pay cash. The market is ours. New goods constantly arriving assure freshness and newness. Here is a partial list of prices: Look them over. Can you beat them?

Antiphlogistine,	39c, 63c, 99c	Malted Milk,	43c, 83c, \$3.00
Atwood's Bitters,	19c	Wampole's Cod Liver Oil,	73c
Bromo Seltzer,	19c, 39c, 67c	100 Quinine Pills, 2 gr.,	25c

AGENTS FOR VINOL. We carry a full line of Colgate's goods; Palmer's soap, perfumes, and powders; Roger & Gallet's French perfumes, soap, and toilet requisites. All at the lowest prices.

We solicit, and we think our past reputation merits, your prescription work. Ask your doctor as to our reliability. If he is unbiased we know he can give you but one answer.
